

GDPR & DATA PROTECTION ADVISORY PACKAGE

Monthly Advisory Package

Here at MBM Commercial we understand that every business and organisation will be affected by GDPR in a different way. The GDPR promotes accountability, requiring data controllers to demonstrate compliance, and the data protection services that we offer are designed to help achieve this. We can help identify areas within your organisation that require action in order to be GDPR compliant, and help to establish an effective data governance framework.

For those who are looking for ongoing advice, we are pleased to offer to clients a monthly data protection advisory package.

Our Basic Package includes:

- 20 hours (per annum) of phone/email data protection advice**
- Access to our Online Portal of guides and template data protection policies and documentation
- Invitations to data protection seminars/workshops
- Regular legal updates

Our Advanced Package includes:

- Unlimited phone/email data protection advice**
- Access to our Online Portal of guides and template data protection policies and documentation
- Invitations to data protection seminars/workshops
- Regular legal updates
- Annual review meeting

****Exclusions apply.** Note that this service is intended as a telephone/email advisory/ support service for data protection issues. Excluded from this is any substantial review or amendment of data protection documentation. Any services out-with those specified above, can be offered at a reduced hourly rate for clients signed up to our monthly advisory service.
